Sea Brat #4 is on the U.S. Environmental Protection Agency's NCP Product Schedule as a "Dispersant." This listing does NOT mean that EPA approves, recommends, licenses, certifies, or authorizes the use of Sea Brat #4 on an oil discharge. This listing means only that data have been submitted to EPA as required by subpart J of the National Contingency Plan, Sec. 300.915 Due to regulations regarding this listing category Sea Brat #4 is advertised as a "Dispersant" within the U.S. and not advertised as a "Bioremediation Agent." Alabaster Corp. does not imply that Sea Brat #4 was designed for Bioremediation.

To the best of our knowledge the information contained in this Material Safety Data Sheet is accurate. However, neither or any of its affiliates makes any warranty, expressed or implied, or accepts any liability in connection with this information or its use. Due to EPA NCP Product Schedule listing requirements and Sea Brat #4 being listed as a Dispersant, Alabaster Corp. and our Distributors must refrain from the advertisement or implication that Sea Brat #4 is any other type of product.
